why do you need dave caperton?

Happy workers are a third more productive and three times more innovative. They take fewer sick days and have significantly fewer accidents and conflicts. They give better customer service, they generate more sales and they are less than half as likely to leave for other jobs.

For over 20 years, Dave Caperton has combined his experience as a stand-up comedian, an award-winning teacher and a corporate educator to deliver over 1000 high-energy and hilarious keynotes and workshops to leading business, education and healthcare clients on four continents to create the kind of workplace where people laugh more, stress less and contribute to a culture of joy.

Dave is the author of **Happiness Is a Funny Thing** and **30 Days To a Happier Workplace** and is the host of, *Let's Talk Funny: a podcast about laughing matters (and why it does)*.

got laughter?

Laughter, gratitude, recognition and everyday kindness are the elements that forge unbreakable team bonds and unleash a tidal wave of joy, balance, and resilience to conquer any obstacle that comes your way.

It was a perfect entrance to our theme for this meeting ...Those were powerful words.”

Louvenia R. Georgia Dental Assoc.

You brought joy to their chaotic worlds and helped them understand the importance of deliberately choosing kindness, empathy, and gratitude in what can feel like an overwhelming job at times.

I put Dave in the same league as Jerry Seinfeld BUT with a genuine focus to change the lives of an audience as well as entertain them.

Can't wait to have him back.
